

Poules et moutons

Quel animal doit-on coller pour avoir autant de moutons que de poules ?

Poules et moutons

3	
2	

Voici les animaux que possède Julie. Avec ses amis, elle s'amuse à compter les pattes de ses animaux.

Julie trouve 12 pattes.

Pauline trouve 14 pattes.

Paul trouve 16 pattes.

Qui a raison?

Poules et moutons

Ajoute des poules pour avoir autant de pattes de poules que de pattes de moutons.
Combien de poules as-tu collé?
